## Easytrans by Polymark, your easy solution for the promotional market

Why invest in expensive equipment when you can rely on Polymark's EASYTRANS for the promotional market? Proven quality, outstanding service, and fast delivery. Easytrans is an ALL IN ONE EASY SOLUTION: easy to order, easy to apply, easy to afford and easy to get.

Easytrans simplifies customization. Upload your design(s) via our user-friendly webshop and we'll handle the rest. Your custom transfers are printed and shipped within 48 hours, ensuring you meet tight deadlines without compromising on quality. Applying your designs is straightforward too—each Easytrans is uniformly cut for flawless, quick application. With costs comparable to DTF but without the need for your own printing equipment, Easytrans offers an affordable alternative that enhances your bottom line.

Let Polymark handle the heavy lifting. With over 70 years of industry experience, we've perfected the art of delivering excellence. Easytrans is a seamless solution that lets you focus on what matters—growing your business. Order today, and experience tomorrow.

Just send us the file, we will print it. (multiple designs per sheet feasible)
